"Spin"

Rather I chase your shadow all my life
Than be afraid of my own
I'd rather be with you
I'd rather not know
Where I'll be than
Be alone and convinced that I know

When the world keeps spinning round
My world's upside down
And I wouldn't change a thing
I've got nothing else to lose
I lost it all when I found you
And I wouldn't change a thing
No, you and I wouldn't change a thing

Everything I know has let me down
So I will just let go
Let you turn me inside out
'Cause I know I'm not sure
About anything
But you wouldn't have it any other way

When the world keeps spinning round
My world's upside down

And I wouldn't change a thing
I've got nothing else to lose
I lost it all when I found you
And I wouldn't change a thing
No, you and I wouldn't change a thing

Spinning turning, watching burning
All my life has found its meaning
Walking, crawling, climbing, falling
All my life has found its meaning

You and I wouldn't change a thing
No, you and I wouldn't change a thing

When the world keeps spinning round
My world's upside down
And I wouldn't change a thing

I've got nothing else to lose
I lost it all when I found you
And I wouldn't change a thing
No, you and I wouldn't change a thing
No, you and I wouldn't change a thing
