This time all I want is you
There is no one else
Who can take your place
This time you burn me with your eyes
You see past all the lies
You take it all away
I've seen it all
And it's never enough
It keeps leaving me needing you

Take me away
Take me away
I've got nothing left to say
Just take me away

I try to make my way to you
But still I feel so lost
I don't know what else I can do
I've seen it all
And it's never enough
It keeps leaving me needing you

Take me away
Take me away
I've got nothing left to say
Just take me away

Don't give up on me yet
Don't forget who I am
I know I'm not there yet
But don't let
Me stay here alone

This time all I want is you
There is no one else
Who can take your place
I've seen enough and it's never enough
It keeps leaving me needing you

Take me away
Take me away
I've got nothing left to say

Just take me away

Take me away

Take me away

I've got nothing left to say

Just take me away
