Would You consume me fire of God
And melt away everything
That is not holy and that stands in Your way

'Cause Father, when You breathe Your words of life
I am changed and I let Your Holy Spirit
Fall on me like a flame

Until I see You
Until I know You
Until I can touch You

Take, take me higher
Take, take me deeper
Take, take me closer

Until I see You
Until I know You
Until I can touch You

Take me higher

Would You consume me fire of God
And melt away everything
That is not holy and that stands in Your way

'Cause Father, when You breathe Your words of life
I am changed and I let Your Holy Spirit
Fall on me like a flame

Until I see You
Until I know You
Until I can touch You

Take, take me higher
Take, take me deeper
Take, take me closer

Until I see You
Until I know You
Until I can touch You, touch You

Take me higher
Take me higher
