When you find me in the morning  
Hanging on a warning (Oh)  
The Joke is on you  
You said you were pretending  
Here's to unhappy endings (Oh)  
The Joke is on you

To make sure yesterday doesn't repeat  
I took a shortcut home  
I left on the street I know  
That they won't find me here  
I found out how to make mamma proud  
Be real quiet, don't talk too loud  
I try, I try to disappear

My life is for the taking  
Break down is awaking me  
I'm ending all this pain  
When you find me in the morning  
Hanging on a warning (Oh)  
The Joke is on you  
You said you were pretending  
Here's to unhappy endings (Oh)  
The Joke is on you

This is my last day  
Should have been my first kiss  
I think to myself will I ever be missed?  
I hope  
Or maybe I don't care  
I wear my team around my neck

I love 'em much  
Gonna love 'em to death tonight  
And see the world through my eyes

My life is for the taking  
Break down is erasing me  
I'm ending all this pain  
When you find me in the morning  
Hanging on a warning (Oh)  
The Joke is on you

My great escape  
Is my biggest mistake  
I think you better turn around  
Don't throw it away  
Today... Today...

When you find me in the morning  
Hanging on a warning (Oh)  
The Joke is on you  
You said you were pretending  
Here's to unhappy endings (Oh)  
The Joke is on you  
The Joke is on you  
The Joke is on you  
The Joke is on you  
The Joke is on you
