Live my life around a picture  
Taken when we met  
Spending all of my time chasing your silhouette  
For all we go through, I don't want to change you  
Cause my minds running in reverse trying not to forget  
Who we were  
Where it's at  
Here We Go (Here We Go)

And we break  
And we burn  
And we turn it inside out  
To take it back  
To the start  
And through the rise and falling apart  
We discover who we are

Struggling with my thoughts  
Change the locks inside my head  
Reading between the lines  
Of what you say, and what you said  
I turn the radio on, to drown me out  
Driving through the night to nowhere  
Trying to forget  
Who we were  
Where it's at  
Here we go (Here we Go)

And we break  
And we burn  
And turn it inside out

To take it back  
To the start  
And through the rise and falling apart  
We discover who we are

And it's all  
To the wind  
It's all  
In our heads  
It's all to the wind

It's all in our heads

And we break  
And we burn  
And we turn it inside out  
To take it back  
To the start  
And through the rise and falling apart  
We discover who we are

And we break (we break)  
And we burn (and we burn)  
and we turn it inside out  
To take it back  
To the start (to the start)  
And through the rise and falling apart  
We discover who we are
