What day is it?  
And in what month?  
This clock never seemed so alive  
I cant keep up and i cant back down ive been losing so  
much time

Cause it's you and me and all of the people  
With nothing to do nothing to lose  
And it's you and me and all of the people  
And i dont know why i cant keep my eyes off of you

What are the things that i want to say  
Just arent coming out right  
I'm tripping on words  
You got my head spinning  
I dont know where to go from here

'Cause it's you and me and all of the people  
With nothing to do nothing to prove  
And it's you and me and all of the people  
And i dont know why i cant keep my eyes off of you

Something about you now  
I can't quite figure out  
Everything she does is beautiful  
Everything she does is right

'Cause it's you and me and all of the people with  
nothing to do  
Nothing to lose  
And it's you and me and all of the people  
And I don't know why, I can't keep my eyes off of  
You and me and all of the people  
With nothing to do nothing to prove  
And it's you and me and all of the people  
And I don't know why, I can't keep my eyes off of you

What day is it?  
And in what month?  
This clock never seemed so alive
