You're All I Want
Find me here, speak to me
I want to feel you, I need to hear you
You are the light that's leading me to the place
Where I find peace again
You are the strength that keeps me walking
You are the hope that keeps me trusting
You are the light to my soul
You are my purpose
You're everything
And how can I stand here with you
And not be moved by you
Would you tell me how could it be any better than
this
You calm the storms and you give me rest
You hold me in your hands
You won't let me fall
You still my heart, and you take my breath away
Would you take me in take me deeper now
And how can I stand here with you
And not be moved by you
Would you tell me how could it be any better than
this
And how can I stand here with you
And not be moved by you
Would you tell me how could it be any better than
this
Cause you're all I want,
You're all I need
You're everything... everything
You're all I want
You're all I need
You're everything... everything
You're all I want
You're all I need
You're everything... everything
You're all I want
You're all I need
Everything... everything
And how can I stand here with you
And not be moved by you
Would you tell me how could it be any better than

this
And how can I stand here with you
And not be moved by you
Would you tell me how could it be any better any
better than this
And how can I stand here with you
And not be moved by you
Would you tell me how could it be any better than
this
Would you tell me how could it be any better than this
