Chorus

Be my salvation, my righteous ambition
You will be found, you will be found by me
My dream and my passion
My aim and my vision
That you would be found, that you would be found by
me

Verse 1

Almighty Creator, who holds the stars
Although I'm unworthy, you'll live in my heart
It's your name to praise and proclaim
Still your greatness won't keep you from calling my
name

Chorus

Verse 2

Counting it all as loss to know who you are
Awaken my soul to hear your whispering call
To seek you, I'll give it my all
To see your goodness unshaken, beauty unchanging
I love who you (I love who you are)
I love who you (I love who you are)
