Verse 1:

Here I stand in awe of you
Worshiping in spirit and in truth
For who you are, for all you've done
Jesus, I'm amazed by you

Verse 2:

I feel your presence in this place
Reign in me oh God I pray
The Heavens praise
The earth will shake
At the glory of your name

Chorus:

Here before the words began
Crucified and rose again
You will reign forevermore
You're the Saviour of the world
King of Kings and Lord of Lords
You will reign forevermore

Verse 3:

Father bring me to my knees
With open arms here at your feet
Heal my heart; Make it clean
Jesus, all of you for all of me

Chorus:

So burn in me a holy fire
Be my only one desire
You will reign forevermore

You're the rock on which I stand
Son of God and son of man
You will reign forevermore

The Holy one and great I am
You're the Lion and the Lamb
You will reign forevermore
