### Verse 1:

The only one to save a soul  
In a broken world where pain is all we know  
It's the most beautiful story ever told  
Jesus died to save the world

### Chorus:

Our hope is here  
And his name is Jesus  
Our hops is here  
Our hope is here  
Our God has come to save us  
Our hope is here

### Verse 2:

Trapped and blinded by out sin  
We were lost, alone, and chasing empty things  
It's in you the lie's exposed and we know now how to live  
Changed from glory to glory, from freedom we sing

### Chorus:

Our hope is here  
And his name is Jesus  
Our hops is here  
Our hope is here  
Our God has come to save us  
Our hope is here

### Bridge:

Our hope is here  
Our hope is here  
Our hope is here  
Our hope is here
