Verse 1:

So far away, so many mistakes
So burdened with pain, I fall short everyday
Try to survive, if just to get by
So where is the hope that will bring me to life?

Chorus:

When the world is weighing me down
And a prayer is all I have to turn it around
That's when you rescue me
When my heart is broken and torn
And I try but I can't go on anymore
That's when you rescue me

Verse 2:

Down on my knees, Got to break free,
Now I can see nothin's out there for me
I've been holding back, I can't live where I'm at
You are the hope that will bring me to life at last

Chorus:

When the world is weighing me down
And a prayer is all I have to turn it around
That's when you rescue me
When my heart is broken and torn
And I try but I can't go on anymore
That's when you rescue me

Bridge:

So far away, You will rescue me
So many mistakes, You will rescue me
So burdened with pain, You will rescue me
I fall short everyday, You will rescue me
Down on my knees, You will rescue me
Got to break free, You will rescue me
Now I can see, You will rescue me
You will rescue me

Chorus:

When the world is weighing me down
And a prayer is all I have to turn it around
That's when you rescue me

When my heart is broken and torn
And I try but I can't go on anymore
That's when you rescue me
