No use running I see you there
No use hiding or lying
I'm becoming you
I'll be all that I'll be beautiful

Look at yourself
What do you see now?
Ugly somehow

I am ugly, you are ugly
We're all ugly in the mirror

Clear day, sunny day
Now cloudy day, good day
My pain lasting too long
But I love what I've become beautiful
Pitiful, beautifully pitiful

Look at yourself
What do you see now?
Ugly somehow

I am ugly, you are ugly
We're all ugly in the mirror

I'm not mentioning any names
(I'm not)
I'm not mentioning any names
(I'm not)
I'm not mentioning any names

Look at yourself
What do you see now?
Ugly somehow

I am ugly, you are ugly
We're all ugly in the mirror

I am ugly

(I am)
You are ugly
(You are)
We're all ugly
(We're all)
In the mirror
