Yeah, ha ha
This one for the chickens, pigeons, rats (the pigeons!)
You know, all that
What am I defendin you or something?
O-offendin? Ya-ya know what I'm talkin about!

[Coolwadda]
Check, we outta town representin and I'm drunk
See these fly ass hoes that I want
First bitch had a fist like monk
Double D's lookin real plump
And a Jennifer Lopez type rump
I'm like, "Yo, this my song how 'bout you?"
She like, "Yeah can I bring my come too?"
Like, "What ch'all want do, do?"
The first time I met you it was you and your cuz
Stackin it up to the bar up at one of the clubs
All three us buzz, fuck the name of the club
Fou' bigo titties bouncing off no reason ??
She's like "Wadda, dance with me" can't, on my way to
the butt
Say she got eight friends, tryinna kick it wit us
I aint trippin get a hold of room number before I shake
I look at her cousin and say to her face
If you'z a..

[Chorus]
Bitch!
Then we hit it and pass it around
Blue boys will run through your town
Niggas will never settle down
Yeeeow!
If she's a.. Bitch!
Then we hit it and pass it around
Blue boys will run through your town
Niggas will never settle down
Yeeeow!

[Chico]
That's right (Bitch)
It's all about my swipe (Bitch)
Your lucky Chipper didn't take flight (Bitch)

Your fuckin now you get the green light (Bitch)
I aint finna drop no cash
Bitches be telling me Chipper ya shit the bomb
I'm like "Hoe, I know" it's half my arm
The swipe's long
Intents get nasty like prince
Gently pull her out the car and hit it on the fence
Like the.. Direct TV, ahh, directly see
It ain't crackin here bitch this aint the place for me
Havin fits, tonguin it.. the clit
Throwing up the neighborhood between yo coochie lips
Tell where I'm from when you cum
You came restrained
But the thug in me, uhh, made you fuck again
Exchange, switch, parallel
Bet you hit like a porn flick
Shottin cum all on they tits

[Chorus]

If she's a.. Bitch!
Then we hit it and pass it around
Blue boys will run through your town
Niggas will never settle down
Yeeeow!
If she's a.. Bitch!
Then we hit it and pass it around
Blue boys will run through your town
Niggas will never settle down
Yeeeow! Bitch!

[Coolwadda]

[Chico]

Tell me, do you mind if I smoke a beadie?
