I've been looking for fastidious place
Were memories can't be erased
I must be sturdy
In this life that's full of comedy
A place were there's no predicament
Where I can be a brave men
That I can respire for eternity
In the midst of my hilarity

Refrain:

Where can I find a place like this?
Does this exist in this world?
Can I make my own world?
No one of us

Chorus:

You open my eyes
To see real things
But I'm scared, I close my eyes
Breathe on me
And I'll follow you
In the dwelling place

I now found my home
Were I can stay when I'm gone
Where I can be sturdy with Him
And I will sing my anthem
A peaceful place
Where I can praise
Worship Him in spirit and in truth

Refrain:

Now I found a place like this
I haven't seen this in the world
You are my world
Only You!

Chorus:

You open my eyes
To see real things
But I'm scared, I close my eyes
Breathe on me

And I'll follow you
In the dwelling place

Bridge:
Take me now
To the home that You have promised
Where I can behold Your majesty
Gaze upon your beauty
And I will live here

Chorus:
You open my eyes
To see real things
But I'm scared, I close my eyes
Breathe on me
And I'll follow you
And I'll follow you
You open my eyes
To see real things
But I'm scared, I close my eyes
Breathe on me
And I'll follow you
And I'll follow you
And I'll follow you
In the dwelling place
