I be droppin hot in the spot  
Cookin rocks, shakin plots.  
Doin thangs watch me drop  
Pickin stocks up off my docks.  
That's my lifestyle baby  
Too crazy don't you know?  
Mexicano on the run with that superstar glow.  
Home of them Island bankers meltin all of ya rights.  
So what you feel, don't really care. You couldn't live in  
my life  
Straight killin is the feelin got enemies makin way.  
Neva thought about tomorrow, too much pain from  
today.  
Strippin people clean, major gleam  
Yes, this I do. ....those aren't true.  
Run em over, Ghetto Soldier. Que mas tengo decir.  
Cuz when you work and stack up, people will hate you  
indeed.  
So now it's time to take it all in the hood you call home.  
Make a check and break em off while unloadin your  
chrome.  
Do what you gotta do, feedin who you must feed.  
Hoes crazy in my world while I do it indeed.

#### Chorus 2x

Bankin in my world, It's a crazy world.  
Cookin up that pearl, So come into my world.

#### Verse 2

Experience preferred, Entrepreneur.  
Bolo movin balla. And rockin up dem birds.  
Cookin dope on wax so there's no comin back-a  
Highly addicted when you hear me up on track-a  
Now who's that DopeMan, from that Island?  
Shippin contraband, mo than 3,000 grams  
Goddamn. I'm on a mission. I'm in the kitchen flippin,  
Whippin. Makin miracle outta chickens  
I'm either sippin, smokin, or Ecstasy.  
Livin in it up because I don't know when they want me.  
The Feds are comin. Now I'm on that Mo, pour freely.  
Watch me make the, watch me make the Genie come

back.  
42 grams off a little ounce of crack.  
Too much paper stack to hold in my stash.  
So, I gots to make a move and I gots to make it fast.  
The Feds are on my ass, listenin on they taps  
They got me movin too quick, eludin all they traps  
So there's no comin back once I sell my soul.  
And you know I got to have it when I'm ballin outta  
control, Oh.

Chorus
