The kids won't come around tonight.  
They're staying home.  
And what if we played to only 23.  
It's how we are.  
And I heard you got us figured out.  
And now there's talk about the band,  
but we don't hear cause we don't care.  
It's how we are.  
It's how we are.  
We'll go our way.  
We may have changed, but we're still here and we  
came to play.  
We'll go our way.  
We may have changed, but we're still here.  
The kids won't come around tonight.  
They're staying home.

And what if we played to only 23.  
It's how we are.  
And I heard you got us figured out.  
And now there's talk about the band,  
but we don't hear cause we don't care.  
It's how we are.  
It's how we are.  
Whoa.  
It's how we are.
