Give me your heart, give me your head...or I'll keep
coming back
Give me your hair, give me your skin...or I'll keep
coming back
I'll take your friends I'll take your kids...I'll keep coming
back
I'll take away all your reasons to live...I'll keep coming
back

What's the sense in praying when you already seen
know the truth?
I'll keep on coming back

I've taken your legs, I've taken your spine...and I'll keep
coming back
I've soaked up your blood, devoured your eyes...and I'll
keep coming back
You think you've got years, you think you've got time?
I won't hesitate to take it away, no reason or rhyme...I'll
keep coming back

What's the sense in praying when you already seen
know the truth?
You're disintegrating...it's the heartbreaking proof that
I'll keep on coming back

It keeps coming back, I guess we should fight...
We'll start fighting back
The irony is it can't take you alive...please start fighting
back
I know you're scared, just take my hand
We'll start fighting back
It keeps coming back, can't take you alive
Just take my hand, we'll keep fighting back

My knees are cut from praying to a god I don't even
know
My soul ain't worth saving but if you're there you won't
let her go
We'll keep on fighting back
