I know he didn't want her
She didn't want him to
Stay around forever
Whatever's easier for you

I ain't half as smart as him
yeah I know I'm second best
I never thought you'd only want me
I know he didn't want her
She didn't want him to
Stay around forever

[Chorus:]
And now your gone away for good
You fall in love but love has gone away
And now your gone away for good
You fall in love but love has gone

It's a funny little thing
and it gets inside your head
It's a killer round the corner
And all you really do is try and keep your cool
and wait till everything blows over

Leave it alone, leave it alone
Don't take your love away so soon
We could just play records at night
I know its been a long time

[Chorus x4]
