I was standing on the wrong side of the tracks
I went the wrong way and I couldn't get back
I was headed down the wrong side of the road
I needed someone I was on my own
I needed someone I was on my own

And I don't want to be on my own
I neither want to be left alone
and I don't want to be on my own
I didn't want to be left alone
I needed someone like you, I needed someone like
you,
I needed someone like you

Now I'm standing in a place that I call home
No longer living in a great unknown
but if you tell me that you don't want me around
I will go some where that I can't be found
I will go some where I can't be found
If you want me here with you
then here I stay
but if you don't then I be on my way

And I don't want to be on my own
I didn't want to be left alone
and I don't want to be on my own
I didn't want to be left alone
I needed someone like you, I needed someone like
you,
I needed someone like you

And I don't want to be on my own
I didn't want to be left alone
and I don't want to be on my own
I didn't want to be left alone
I needed someone like you, I needed someone like
you,
I needed someone, I needed someone, I needed
someone like you

I went the wrong way and I couldn't get back [x4]
