And I don't fucking care if I die tonight
End up in jail tonight
I'm raising hell all night and nothing's gonna change
my mind.
I've been drinking
And I've been thinkin about what you said to me
I've been drinking
And I've been thinkin about what you said
Maybe I'm going crazy I just don't know
I've been drinking
And I've been thinkin about what you said
Never thought I'd make it to 18
Selling drugs just to make ends meet
23, I'm living a dream
I never thought I'd see the shit I seen
But that was me then
And this is me now
This is who I am and who I'll always be
I just don't fucking care if I'm in jail tonight
I'm raising hell all night and nothing's gonna change
my mind.
I just don't fucking care if I die tonight
I've been drinking
