There was a lucky chance
Of meet you, it was just
Another day with nothing to do
But you, ya you ohhhhh

(Chorus)
Your that guy (ya you are)
It was just another day
With just another try
But ya oh why
Boy you make me wanna
Cryyyyyyyyy Cry

When I first saw
It was dream come true
To finally see
You give another try
Cause,

(Chorus)
Your that guy (ya u r)
It was just another day
With another try
But ya oh why
Boy you make me wanna
Cryyyyyyyyy Cry

When I first saw
It was dream come true
To finally see
You give another try

But why oh why
You make me wanna cry
Ohha oh ya
