Restless dreams arranged the same
Skyward climb into an empty spiral
Left before you're caught in her
Creep your crawling on your back again
We're the same
Reach out and...

This shallow faith
Will lose it's audience
Comes crashing down
Despondent
And this shattered faith
Has lost it's audience
Comes crashing down
It's failure

Seamless foils are drowning you
Boiling temper squeeze and wring your lungs dry
Before these beings could build their dreams
The silence was their only god sound
God was was wrong
Shallow faith

This shallow faith
Will lose it's audience
Comes crashing down
Despondent
And this shattered faith
Has lost it's audience
Comes crashing down
It's failure
