Ooh ooh, ooh  
I'm O-kay  
(x4)

Wassup  
Wassup  
What up  
Sista  
Brotha

Here's my  
Story  
What i  
Soon dis-  
Covered

(verse to be submitted later)

I need you to see the sun  
After the rain  
Everything that I was  
is not who I am  
'Cuz I'm in  
God's hands

Ooh ooh, ooh  
I'm O-kay

The higher power's energy  
Is good for my soul therapy

If I could find some peeps,  
I'll keep on comin

I need you to love me  
Not judge me  
Or even speak badly  
Of me  
Remind me
