Step right up, you were right on time  
Right on time  
Come aboard, baby and you will be mine  
You will be mine

I've been dreamin' of you all my life  
Inside of my head  
Wishin' I could have you  
So let's got to bed

All aboard, get your ticket to ride  
'Cause it's leaving tonight, baby  
Don't be late, bring your love to the gate  
For my physical train

All aboard, get your ticket to ride  
'Cause it's leaving tonight, baby  
Don't be late, bring your love to the gate  
For my physical train

See, I can tell you wanna ride  
By looking straight into your eyes  
Straight into your eyes  
And I believe you when you say  
That you ain't never told a lie  
Ain't never told a lie, baby

Hallelujah, you're one of the dream come true  
Must have known that I was waiting for you  
Come inside so I get what you want, baby  
Come inside, come inside

All aboard, get your ticket to ride  
'Cause it's leaving tonight, baby  
Don't be late, bring your love to the gate  
For my physical train

All aboard, get your ticket to ride  
'Cause it's leaving tonight, baby  
Don't be late, bring your love to the gate  
For my physical train

I'll move it just like you like  
Just how you want it to feel  
I'll do it real slow like chill  
So tell me if you know the deal

All aboard, get your ticket to ride  
'Cause it's leaving tonight, baby  
Don't be late, bring your love to the gate  
For my physical train

Don't be late, baby, don't  
Don't be late, baby  
It's only leaving one time baby  
Hop aboard, you'll be mine, lady  
I got the love for you, baby

Do you love, do you love me, baby  
Do you love me, baby  
Say you love you, baby

All aboard, get your ticket to ride  
'Cause it's leaving tonight, baby  
Don't be late, bring your love to the gate  
For my physical train

All aboard, get your ticket to ride  
'Cause it's leaving tonight, baby  
Don't be late, bring your love to the gate  
For my physical train

All aboard, get your ticket to ride  
'Cause it's leaving tonight, baby  
Don't be late, bring your love to the gate  
For my physical train
