When I leave,
I wanna wait for the silence
You gave me all you've got
But now I stand here waving to you
And still you smile, you're still looking back

Maybe I just wasn't kind enough
I'm fighting urges to fall again,
Yet I stumble, yet I stumble

Chorus:
These roses died 3 days since
Black roses died, we said goodbye
These roses died 3 days since
I'm sorry, I miss you

How do I remain complete
When all we bled is lost
We could've burned
The earth and sky
A second chance,
The seconds spent

Each other's shadow,
Should've known
I'm fighting urges to fall again,
Yet I stumble, yet I stumble

These roses died 3 days since
Black roses died, we said goodbye
These roses died 3 days since
I'm sorry, I miss you

These roses died 3 days since
Black roses died, we said goodbye
These roses died 3 days since
I'm sorry, I miss you
I miss you
I miss you
I miss you

Hear this I'm yours
I'm at your feet

Hear this I'm yours
(inside this heart you still remain)
I'm at your feet
(faded letters are erased)

Hear this I'm yours
(inside this heart you still remain)
I'm at your feet
(faded letters are erased)

These roses died 3 days since
Black roses died, we said goodbye
These roses died 3 days since
I'm sorry, I miss you

These roses died 3 days since
Black roses died, we said goodbye
These roses died 3 days since
I'm sorry, I miss you

These roses died 3 days since
These roses died 3 days since
