I wish I knew how it would feel to be free  
I wish I could break all the chains holdin' me  
I wish I could say all the things that I should say  
Say 'em loud, say 'em clear  
For the whole wide world to hear

I wish I could share all the love that's in my heart  
Remove all doubts (???) that keep us apart  
And I wish you could know how it feels to be me  
Then you'd see and agree that every man should be  
free

I wish I knew how it would feel to be free  
I wish I could break all the chains holdin' me  
And I wish I could say all the things that I wanna say  
Say 'em loud, say 'em clear  
For the whole wide world to hear  
Say 'em loud, say 'em clear  
For the whole wide world to hear  
Say 'em loud, say 'em clear  
For the whole wide world to hear

One love, one God, one life  
You got to do what you should  
One life, with eachother  
Sisters, brothers  
One life, but we're not the same  
We got to carry eachother, carry eachother

I wish I knew how it would feel to be free  
I wish I knew how it would feel to be free
