When you're close to tears remember
Some day it'll all be over
One day 'we're gonna get so high
And though it's darker than December
What's ahead is a different colour
One day 'we're gonna get so high

And at
The end of the day
We'll remember the days
We were close to the edge
And we'll wonder how we made it through
And at
The end of the day
We'll remember the way
We stayed so close to till the end
We'll remember it was me and you

'Cause we are gonna be forever you and me
You'll always keep me flying high in the sky of love

Don't you think it's time you started
Doing what we always wanted
One day 'we're gonna get so high
'Cause even the impossible is easy
When we got each other
One day 'we're gonna get so high

And at
The end of the day
We'll remember the days
We were close to the edge
And we'll wonder how we made it through
And at
The end of the day
We'll remember the way
We stayed so close to till the end
We'll remember it was me and you

'Cause we are gonna be forever you and me
You will always keep me flying high in the sky of love

High, high, high, high...
