I see you each morning, and in silence I say
"Pretty Lady, I love you, but I know there's no way
You'd consider my love girl, cuz you don't have the
time."
So I try to conceal it, so you can't read my mind.

All I wanna do, Pretty Lady, is see you smilin' too, Pretty
Lady
Just for once in my life, makin' love to you. Yeah!
All I wanna do, Pretty Lady, is see you smilin' too, Pretty
Lady
And maybe once in my life makin' love to you.

Every day I keep hopin' that I may see a sign.
Better give me a chance girl, to be first in your eyes.
But I just go on waitin', every day it's the same.
All my friends keep on sayin', "You're a fool who loves
pain!"

But all I wanna do, Pretty Lady, is see you smilin' too,
Pretty Lady,

And maybe once in my life makin' love to you. Yeah
All I wanna do, Pretty Lady, is see you smilin' too, Pretty
Lady,
Maybe once in my life makin' love to you.

I'm beginnin' to wonder, if you know I'm alive.
Every day it gets harder to feel good when I rise.
If I just had a chance, girl, you could feel what it's like
Makin' love every mornin', every day, every night.

Cuz all I wanna do, Pretty Lady, is see you smilin' too,
Pretty Lady,
Maybe once in my life makin' love to you. Yeah,
All I wanna do, Pretty Lady, is see you smilin' too, Pretty
Lady,
Maybe once in my life makin' love to you. Yeah,
All I wanna do, Pretty Lady, is see you smilin' too, Pretty
Lady,
Maybe once in my life makin' love to you.
