Black ghost, black ghost, please stay away from my
door
Black ghost, black ghost, will you please stay away
from my door
Yeah you know you worry po' Lightnin' so now, I just
can't sleep no more
Yeah you know I go to dreaming first night, black ghost
is all po' Lightnin' can see
I go to dreaming first night, black ghost is all po'
Lightnin' can see
You know that's why I begin to wonder why you keeps
on worryin' me
Black ghost is a picture, and the black ghost is a
shadow too
Whoa black ghost is a picture, and the black ghost is a
shadow too
You just can see him, but you can't hear him talkin'
Ain't nothin' else that a black ghost can do
Black Ghost Blues!
