Don't be blind  
In all the fated life.  
Something great is happening in your life  
But all the noise  
Is drowning out your voice.  
No wonder you've been feeling down  
From time to time.  
You know that you'll survive  
The day you realise  
You can't stop day from turning into night  
Hey you know you're gonna live  
To find another day  
It's just today things ain't so good.  
Get yourself back again  
You've got so much love  
That you can't afford to lose  
Goodbye Heartbreak  
Heartbreak  
Don't look for me  
'Cause I don't need you now.  
So long heartache  
Heartache  
Don't look for me  
'Cause I don't need you now.  
I don't need you now  
I don't need you now  
I don't need you now  
Hey  
I don't need you now  
I don't need you now  
I don't need you now  
Hey.  
Do you remember as a girl,  
You had a picture of the world  
And you'd think about the great things you would find?  
The thing is 9 to 5  
And a struggle to survive  
Ain't exactly what you had in mind.  
But that's the beauty of life,  
It takes a while to find,  
And you can't have things your own way all the time  
Hey, you know you're gonna live

To find another day,  
It's just today things ain't so good.  
Get yourself back again,  
You've got so much love  
That you can't afford to lose  
Goodbye Heartbreak  
Heartbreak  
Don't look for me  
'Cause I don't need you now.  
So long heartache  
Heartache  
Don't look for me  
'Cause I don't need you now.  
I don't need you now  
I don't need you now  
I don't need you now  
Hey  
I don't need you now  
I don't need you now  
I don't need you now  
Hey.  
Goodbye Heartbreak  
Heartbreak  
Don't look for me  
'Cause I don't need you now.  
So long heartache  
Heartache  
Don't look for me  
'Cause I don't need you now.  
I don't need you now  
I don't need you now...
