You told me not to make you wait  
Then you don't call for days  
You told me not to be too late  
Then you don't come to me

How many times you're gonna let me down?  
You're keeping me hanging on as if  
I'm wrapped around your finger

Never believed that I'd ever find myself  
Looking up to the upper hand and  
Loving every minute, baby

I won't mind, ain't gonna give up  
As long as I know my own mind  
Don't wanna quit after all this time

I won't mind, ain't gonna give up  
As long as I know my own mind  
Don't wanna quit after all this time

Totally lost the way you came  
Rainbow colored day  
Opened out the way you changed  
Then it all starts to fade

How many times you're gonna let me down?  
You're keeping me hanging on as if  
I'm wrapped around your finger

Never believed that I'd ever find myself  
Looking up to the upper hand and  
Loving every minute, baby

I won't mind, ain't gonna give up  
As long as I know my own mind  
Don't wanna quit after all this time

I won't mind, ain't gonna give up  
As long as I know my own mind  
Don't wanna quit after all this time

How many times you're gonna let me down?  
You're keeping me hanging on as if  
I'm wrapped around your finger

Never believed that I'd ever find myself  
Looking up to the upper hand and  
Loving every minute, baby

I won't mind, ain't gonna give up  
As long as I know my own mind  
Don't wanna quit after all this time

I won't mind, ain't gonna give up  
As long as I know my own mind  
Don't wanna quit after all this time

I won't mind, ain't gonna give up  
As long as I know my own mind  
Don't wanna quit after all this time

I won't mind, ain't gonna give up  
As long as I know my own mind  
Don't wanna quit after all this time

I won't mind, ain't gonna give up  
As long as I know my own mind  
Don't wanna quit after all this time

I won't mind, ain't gonna give up  
As long as I
