You know I wished I was a catfish  
Swimming in that deep blue sea  
I'd have all the good looking women there boy  
Fishing after me  
Fishing after me  
Ooh ooh...  
I went down to my baby's house  
She said, Lightnin', come on in  
Ain't nobody here with me good Lord  
You know I'm your friend  
You know I went down to my baby's house  
Lord I sat down on them steps  
She said, Come on in this house Lightnin',  
Husband just now left  
My husband just now left  
Sho nuff I'm by myself  
He just now left  
You know I went down to the river  
Started jump overboard and drown  
I thought about that little mama, turned around  
I went walking back to town  
Back to town  
Back to town  
Sho nuff, back to town  
You know I wish I was a catfish  
Swimming, Lord in that deep blue sea  
I'd have all the good looking womens  
Fishing after me  
Fishing after me  
Sho nuff  
Ain't lying  
Mmm mmmm
