Yes, man, I was born March the 15th, you know the year
of 1912

Yes, I was born March the 15th, boys, 1912

Yes, you know ever since that day, poor Lightnin' ain't
been doing so well

Yes, I'm going back and talk to mama, just to see what
mama say,

so she will make me think about my old home seat and
the places that I used to play

You know, I'm going back and talk to mama just to see
what will poor mama say,

yeah, so she can make me remember old places where
I used to play

When I go talk to my mama, these is the words that I'm
gon' say:

"Just show me the old places I used to be, mama, and
the places I used to play"

You know I'm talk to my mama, gon' ask her, whoa,
'bout the places I used to play

Yes, I'm often thinking about where I used to play
