I found out you were leavin' me baby, leavin' on the  
next train that runs  
I found out you were leavin' me baby, leavin' on the  
next train that runs  
Now tell me how you can go away, darlin' not a thing  
that I have done

But if you just gotta go, don't bother me to worry too  
well  
But if you just gotta go, don't bother me to worry too  
well  
Yes, I hope that you'll be happy, whenever I get over  
there

I guess I'll say goodbye, this will be my last affair  
I guess I'll say goodbye, this will be my last affair  
Still I hope you'll be happy baby, when I meet you over  
there

Just a singin' for my baby, for a man to walk away  
Just a singin' for my baby, for a man to walk away  
Yes, she leaves my home, and I've done everything
