I come all the way from Texas just to shake glad hands  
with you

I come all the way from Texas just to shake glad hands  
with you

Yes, but when I seed in your smiling face

I didn't know just what to do

I ought to been knowing these things for a great long  
time

I ought to been knowing these things for a great long  
time

You know it take me for quite awhile

Before I made it up in my mind

Got to play it a minute

I'm gonna tell all my friends just as soon as I go back  
home

I'm gonna tell all my friends just as soon as I go back  
home

Know they all gonna get on

And wonder what is I been waiting on
