Love me this mornin',  
ol' Lightnin' is fixin' to go away  
Love me this mornin',  
ol' Lightnin' is fixin' to go away  
I may not be gone for ever,  
but I'm tryin' to make up in my mind to stay

Whoa, I'm tryin to make up in my mind to stay

Tell me, baby,  
little girl do you got anything else to say?  
Tell me, oh,  
little girl do you got anything else to say?  
Ol' Lightnin', he goin' away to leave you,  
this time po' Lightnin' he may stay  
(spoken: one mo' time)

Yeah!

Po' Lightnin' may leave this time or stay
