I was born'd on the levee, I'm my mama's baby child
I was born'd on the levee, I'm my mama's baby child
Yes, you know, it ain't but one thing I hate, some
women have made mama's baby wild

Yes, if I'd have listened, yes, to what my mama said
If I'd have listened, yes, to what my mama said
Yes, you know, I wouldn't be here this evening, I'm
talking about, with a hung-down head

Yes, you know, I'm going back home to mama, fall
down on my mama's knee
I'm going back home to mama, fall down on my
mama's knee
Yes, you know, I'm gonna ask my mama, "Please,
ma'am, pray for me"
