I'm goin' to Louisiana and get me a mojo hand
I'm goin' to Louisiana and get me a mojo hand
I'm gonna fix my woman so she can't have no other
man

Cold ground was my bed last night, rocks was my
pillow too
Cold ground was my bed last night, rocks was my
pillow too
I woke up this morning, I'm wondering, what in the
world am I gonna do?

I lay down thinking, buy me a mojo hand
I lay down thinking, buy me a mojo hand
I did wanna fix my woman so she can't have no other
man

But don't let your woman fix you like mine fixed me
Don't let your woman, boy, fix you like mine fixed me
She make a fool about her, about as a fool can be

Now, can't a woman act funny when she got another
man?
Can't a woman act funny when she got another man?
You know, she won't look straight at you
And she's always raisin' sand, sand

Well, I'm going tomorrow but I won't be gone long
I'm going tomorrow but I won't be gone very long
I'm gonna get me a mojo hand, I'm gonna bring it back
home

That's what I'm gonna do
