My little Gloria, she had a new boyfriend and all  
I thought I was the only one  
But I found out she had a another one  
Then made two of her [Incomprehensible]

Too many  
And I had this word to tell her, 'bout the new fella  
He's one black rat, one damn fine [Incomprehensible]  
I want you to listen through

Yeah, you is one black rat, one day, I'll find your trail  
Yeah, you is one black rat, one day, I'll find your trail  
Then I'll hide my shoe somewhere near your shirrtail

Well I take you in my home  
You ate up all my bread  
I left there this morning  
You say, my whole family been fed

Yeah, yeah, you is one black rat, one day, I'll find your  
trail  
Then I'll hide my shoe somewhere near your shirrtail

Well, I taken you downtown  
I bought everything you need  
When I gotten back in my house  
You ate up all my feed

You is one black rat, one day, I'll find your trail  
Then I'll hide my shoe somewhere near your shirrtail
