Yeah, you know Katie Mae is a good girl, folks, and she
Don't run around at night
Yeah, you know Katie Mae is a good girl, folks, and she
Don't run around at night
Yeah, you know you can bet your last dollar Katie Mae
Will treat you right

Yeah, you know I try to give that woman everything in
the
World she need,
That's why she don't do nothing but lay up in the bed
and
Read
You know she walks just like she got oil wells in her
Backyard
Yes, you'll never hear that woman whoop and holler
and
Cry and talking 'bout these times being hard

You know some folks say she must be a Cadillac, but I
say
She must be a T-model Ford
Yeah, you know some folks say she must be a Cadillac,
but
I say she must be a T-model Ford
Yeah, you know she got the shape all right, but she
can't
Carry no heavy load

I say goodbye, goodbye poor Katie Mae, these are the
last
Words that I got to say
I say goodbye, goodbye poor Katie Mae, these are the
last
Words I got to say
Yes, if I don't see you tomorrow I hope I'll meet you
Early the next day
