You know I went down to my baby's house, fell down on
my
Knees,
Crying please, please help poor me, help old me

She said, "Lightnin' I wished I was rich and you were
Poor"
The meals that you've been getting, I will see that you
Never get them no more
She's talking to me and I'm down on bended knee
Somebody help me, help me, please

You know I went to my house, wasn't nobody there but
me
That was trouble, that was worry, Lord, Lord, like the
Whole world would see
Somebody please help me, I've been wondering about
my
Fate
Her little smiling, baby, I can't see

Well I'm about to make it up in my mind to let her go
Ahead on
Baby, you go have a good time, while I walk my floor
and
Moan
You may not miss me now, but you're gonna miss me
when
I'm gone
Well I just can't do nothing but cry, I just got to walk
My floor and moan
