Chang

Performed by Lightning Seeds

The world is full of fools
Never get it right
You don't know what to do
So you do anything you like

*Put your foot down and drive
All your silly things
Put your foot down and drive
You're such a pretty thing
Put your foot down drive

You never gonna be
Like all those fools
You are going out tonight
There is nothing to lose
You're gonna give it all a try

**Don't ever change
Don't ever change
No never change never change
You better say your prayers
Whisper to the wise
And thank your lucky stars
For coming out tonight

(Repeat *, **, *)

When if your eyes all opened wide
Their still too blind to see
Changing style for a little while
It's only make believe

(Repeat *)

You're are never satisfied
So look for something new
There is nothing to find
And nothing you can do

(Repeat **)

I will find you got me started
