If all the moments of your life  
Flash before your eyes  
Would you laugh or would you cry?  
Is it a losing game?  
There's no one else to blame  
You better think again  
And if you need a friend

Don't walk on by  
I know you're sad, I know  
But there's bluer skies  
All your life  
You walk on by  
Open up your eyes  
Storms may disappear with the songs of sorrow

If your guardian angel smiles  
What do you require?  
Your hearts desire  
Someone to share the storm  
Catch you if you fall  
You better think again  
And if you need a friend

Don't walk on by  
I know you're sad, I know  
But there's bluer skies  
All your life  
You walk on by  
Open up your eyes  
Storms may disappear with the songs of sorrow

You better think again  
And if you need a friend

Don't walk on by  
I know you're sad, I know  
But there's bluer skies  
All your life  
You walk on by  
Open up your eyes  
Storms may disappear with the songs of sorrow

Don't walk on by  
Don't walk on by (I know you're sad I know)  
but there's bluer skies (don't walk on by)  
All your life  
Don't walk on by (all your life)
