You know I can't stay home
With all this time to kill
Oh God, I can't sit still tonight

I've gotta make some noise
I'm jumping up and down
Got to get out now, gotta shout out loud

Oh, you make me feel alright
It's like the tipper most, topper most high
Oh, it's you, you, you
Crack up your face and give us a smile
'Cos tonight I just wanna go wild

I've got a million thoughts
And when I've thought them all
I'll find a million more tonight

And when I'm feeling sad
You know it's such a drag
Then I get so mad and then I feel so bad

Oh, you make me feel alright
It's like the tipper most, topper most high
Crack up your face and give us a smile
Oh it's you, you, you

Ready or not
Here we go till we drop
Don't be square
Fix your face and grow your hair

Oh, you make me feel alright
It's like the tipper most, topper most high
'Cos tonight I just wanna be wild
Oh, it's you, you, you

Ready or not
Here we go till we drop
Don't be square
Fix your face and grow your hair
Here, now, anywhere
