Heavens love (??)
What on earth are we still dreaming of?
Taste of love's still here
It's a blessing in these passing years
As time rolls on
The diamonds in our days are gone
There were songs and tears
There was menace in those passing years
All words of tenderness
Both deciding there'll be no regrets
Coz words were spoken
And hearts got broken

Over and over
Life keeps messing with my plans
For you girl
I'll say these words
Beware of the shifting sand

It's said and done
Nothings ever really fair in love
Could be curse or charm
Take you somewhere, keep you safe from harm
And a time may come
For moving on

Over and over
Life keeps messing with my plans
For you girl
I'll say these words
Beware of the shifting sand
It slips right through your hand
