You showed me how to do  
Exactly what you do  
How I fell in love with you  
Oh, it's true  
Oh, I love you

You showed me how to say  
Exactly what you say  
In that very special way  
Oh, it's true  
You fell for me too

And when I tried it  
I could see you fall  
And I decided  
It's not a trip at all

You taught it to me too  
Exactly what you do  
And now you love me too  
Oh, it's true  
We're in love, we two

Oh, it's true  
We're in love, we two  
We two

You showed me how you do  
Exactly what you do  
How I fell in love with you

You showed me how to say  
Exactly what you say  
In that very special way

You taught it to me too  
Exactly what you do  
And now you love me too

And now you love me too  
And now you love me too  
And now you love me too
