"And Counting"

Forty days and counting
I'm going to sleep
When I wake up there will be thirty nine more days left

When I fall asleep I feel you with me
When I fall asleep I feel you with me
When I fall asleep I feel you with me
Until I fall asleep and you are with me

Ooh, ooh, ooh, ooh

Thirty days and counting
I'm going to sleep
When I wake up there will be twenty nine more days left

When I fall asleep I feel you with me
When I fall asleep I feel you with me
When I fall asleep I feel you with me
Until I fall asleep and you are with me

When I fall asleep I feel you with me
When I fall asleep I feel you with me
When I fall asleep I feel you with me
Until I fall asleep and you are with me

Ooh, ooh, ooh, oh.
