Oh, Oh, Oh

Maybe I don't say all the right things
Maybe I stumble on the words
Maybe I laugh at all the wrong times
Maybe I mumble and I curse

The last thing I want is to let you down
Cause all that I want is to make you proud.

I can't explain just why I'm acting this way
I can't control it so I'll go with it
I'm just a girl
I won't be changing the world
And boy you know that I'm not perfect but I'm perfect
for you.

Oh, Oh, Oh

I know I don't make all the best moves and I know
sometimes I get weak
But I know that I got nothing to prove
Maybe that's what you love about me

The best I can do is to be myself and hope it's enough
to make you proud

I can't explain just why I'm acting this way
I can't control it so I'll go with it
I'm just a girl
I won't be changing the world

And boy you know that I'm not perfect but I'm perfect
for you.

When you're in the room my head is clear
You make the world just disappear
So open up your eyes and see

I can't explain just why I'm acting this way
I can't control it so I'll go with it
I'm just a girl

I won't be changing the world
And boy you know that

Oh

I can't explain just why I'm acting this way
I can't control it so I'll go with it
I'm just a girl
I won't be changing the world
And boy you know that I'm not perfect but I'm perfect
for you.

Oh, Oh, Oh
For you

Oh,Oh
