My mouth is frozen so I can't even speak
What a disappointment I had perfectly
What I was going to bring on suddenly
Stood like a stone as just quietly
You're making it hard for me and all I can do is free as

What I mean is, all I need is just a little emotion
?Cuz all I see is you're not feeling
And you're giving me nothing nice

I tried to do you right
Why'd you have to go and turn to ice, ice
Don't think you're knowing how hard this is for me
I'm not the type to say sorry constantly

So I swallowed my pride and I got on my knee
But still you just stood there as you stared at me
Your ego is getting old, how did you get so cold?

What I mean is, all I need is just a little emotion
?Cuz all I see is you're not feeling
And you're giving me nothing nice

I tried to do you right
Why'd you have to go and turn to ice, all I see is so ice

I'm looking at you, looking at me
Walking under bridges

Sorry it's a little late but you know
What just want to keep me happy
What I gotta do you, make you let
Me get away with it this time

I know you're upset
I made you happy just to be sitting with me
But I'll make a bet that you'll be better to forget about
me
Even better, yet I'll let a little get melty ice, ice, baby

My mouth is frozen so I can't even speak
I'm not the type to say sorry constantly

What I mean is, all I need is just a little emotion
?Cuz all I see is your not feeling
And you're giving me nothing

What I mean is, all I need is just a little emotion
?Cuz all I see is you're not feeling
And you're giving me nothing nice

I tried to do you right
Why'd you have to go?
I tried to do you right
Why'd you have to go and turn to ice?
