Cheap words falling out of your teeth
Rolling off your tounge like candy

He heard
She heard
You heard me once
I won't say it again
Now were just friendly

With a love gone sour I lost my appetite
There's no more flovor
Talking sweet now won't fix it somehow

Don't casanova me
I'm over you
It's over obviously
Don't put your sugar on me
It's to late to sweeten this baby
Hey casanova
It's over

Cheap words like these will rot your teeth with all the
sicky sweet nothings

Your speech is good enough to eat but it won't fill me
up when I am lonely

With a love gone sour I lost my appetite
There's no more flovor

Talking sweet now won't fix it somehow

Don't casanova me
I'm over you
It's over obviously
Don't put your sugar on me
It's to late to sweeten this baby
Hey casanova
It's over

Don't casanova me
I'm over you

It's over obviously
Don't put your sugar on me
It's to late to sweeten this baby

Casanova me
I'm over you
It's over obviously
Don't put your sugar on me
It's to late to sweeten this baby
Hey casanova
It's over
